Attorney Docket No.: 60,130-1308

**COMBINED DECLARATION AND POWER OF ATTORNEY  
(Joint Inventors; Priority Claimed)**

As the below named inventors, we hereby declare: that our residence, post office address and citizenship are as stated near our names below; that we believe we are the original, sole inventors of the subject matter of which is claimed and for which a patent is sought on the invention entitled

**LATCH ASSEMBLY**

which is described and claimed in the specification of which was filed on 10/030,024, attorney docket number 60,130-1308 and that this application was filed on June 30, 2000 as International Application (PCT) No. PCT/GB00/02540 which claims priority to British Application No.: GB 9915432.0 filed July 1, 1999.

We have reviewed and understand the contents of this specification, including the claims, as amended by any amendment referred to above; that we do not know and do not believe the same was ever known or used in the United States of America before our invention thereof or patented or described in any printed publication, in any country before our invention thereof for more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application; that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by us or our legal representatives or assigns more than twelve (12) months prior to this application; that we acknowledge our duty to disclose information of which we are aware which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a); and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by us or our legal representatives or assigns except as follows:

We hereby claim the benefit under 35 U.S.C. Section 120 of any United States application(s), or Section 365(c) of any PCT International application designating the United States, listed below and insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of 35 U.S.C. Section 112. We acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability as defined in Title 37, C.F.R., Section 1.58 which became available between the filing date of the prior application and the national or PCT International filing date application:
